## **US Academies Program**

The U.S. Defense Attaché, Commander Chris Bridges, will deliver a presentation on the United States Academy Program: West Point, U.S. Naval Academy, and Air Force Academy on September 5, 2007 at 15:00 at the American Cultural Center, Antanimena. The presentation, followed by questions and answers, will be exclusively in English. Malagasy students, especially those who recently passed their Baccalauréat, are invited to attend. The Defense Attaché office (DAO) anticipates that the scholarship announcement for next year will be advertised in the coming months (September/October.)

The U.S. Academy Program is a successful and competitive program that requires selection of only the best -qualified candidates, male and female. Admission tests required are – English Comprehension Level (ECL), Scholastic Aptitude Test (SAT), and physical test. In addition, next year candidates to the Academy Program should be unmarried, with no dependents, between ages 17 – 23 on July 2008, have an exceptional academic record, be in good moral and physical health and free of communicable disease, including HIV/AIDS.
